# Specialty Items

We have a state of the art kitchen here at The Bakery On Main and we love to use it. Call or stop by and make an appointment to talk to our pastry chefs about your custom order!

Please place orders as soon as you know you'd like them we need at least 48 hours' notice on most cakes; it's very difficult for us to accommodate orders on short notice – we make everything from scratch and have to prepare and plan for our customized orders well in advance.

## Cakes

Customized for any occasion / \$35+

All of our cakes are 3 layers and are priced individually depending on your cake's size, cake flavor, icing type, fillings and decorations. \$35 is for a simple 8" vanilla cake with vanilla buttercream.

Wedding Cakes / \$150+

Wedding cakes are usually multiple-tiered intricately decorated cakes which require delivery/assembly, a 25% deposit is required at the time of order placement.

## Cake Choices

### Cake type

- Vanilla
- Chocolate
- Strawberry
- Lemon
- Red Velvet
- German Chocolate
- Carrot cake
- Marble chocolate and vanilla
- Italian Cream Cake
- Cookie Cakes

### Icing type

- Buttercream
- Cream Cheese Icing
- Chocolate Buttercream
- Raspberry Buttercream
- Chocolate Icing
- Coconut Caramel Pecan Icing
- "Sweet" icing

We make and typically use a Swiss Buttercream - a "true" buttercream made with real butter which melts in your mouth. Buttercream isn't as shockingly sweet as typical "Crisco - icing" as that is made partially with shortening which coats the tongue leaving an extra sweet taste in your mouth; but we can make that too!

### Fillings

By default we will use the icing type between the layers of cakes but you may certainly choose a different filling for your cake!

- Pastry Cream
- Pastry Cream with Strawberries
- Lemon Curd
- Raspberry filled
- Let us know what you would like in between the layers!

### Sizes / Round / Square / Sheet Cakes

6" 8" 9" 10" 12" or 14" Round

8" 9" 10" 12" Square

Half Sheet Cake – can feed over 50 people;

Full Sheet Cake – can feed over 100 people

### Details and decorations

We can usually make the icing any colors you'd like

Please bring a picture of what you'd like if you have one (on your phone is okay too)

We are able to do fondant, odd shaped cakes and special decorations, but we need plenty of advance notice for these things so we can make sure to order Fondant or other supplies for your cake.

By default we write any "Happy Birthday..." message in Chocolate as this is the most elegant, but we can certainly write in any color icing you wish (except on German Chocolate Cake w/ coconut caramel pecan icing)
